Northeast Georgia Diagnostic Clinic Chooses MediRevv for A/R Management Services

MediRevv to manage their self pay program

Coralville, IA – January 5, 2012 – MediRevv, a healthcare revenue cycle management company, announced a new client-partner today: Northeast Georgia Diagnostic Clinic, LLC (NGDC), a physician owned multi-specialty clinic based in Gainesville, Georgia. MediRevv will provide accounts receivable management to improve NGDC’s overall self pay cash collection efforts.

Since its beginning in 1953, the Northeast Georgia Diagnostic Clinic has grown into a multi-specialty practice of 33 physicians and 13 mid-level providers. NGDC has been providing care to patients in Gainesville and Northeast Georgia for over 50 years.

“MediRevv was a logical choice for us based on their proven track record for improving self pay collection performance,” said Emmett Forrester, Practice Administrator, at Northeast Georgia Diagnostic Clinic. “MediRevv will not only help us improve our overall bottom line, but they will allow us to concentrate on what we do best: providing compassionate, innovative, high quality healthcare to Gainesville and the surrounding communities of the Northeast Georgia region.”

“NGDC is a great group of people and we look forward to helping them improve their financial performance so they can continue to focus on their mission of serving the adult population of Gainesville and Northeast Georgia with compassion, skill and integrity.” says Christopher Klitgaard, president of MediRevv.
